7-2-2013 Due to storm damage to the cabins these signs will not be displayed until the cabins are repaired. This site will be updated again when the cabins are repaired

When the signs are down (off season or cabins not available) the posts are still up and can serve to help locate the turn off of the Blue Ridge Parkway.

Driving North on Blue Ridge Parkway

Driving South on Blue Ridge Parkway

Driving directions:

This is one of the most difficult to find due to the problem of finding the turn off of the Blue Ridge Parkway. There are no signs allowed on the Parkway to keep it a scenic drive. This problem is made worse during the "Off season" when three rare signs are removed leaving only the posts. Look for the posts in the off season. There is a sign "Rocky Knob Cabins" at the turn during the season and the posts during the off season.

The turn onto **Woodberry Road** is located at Blue Ridge Parkway **mile marker 174.1**.

About 300 feet on either side of the turn are signs "**Housekeeping Cabins Turn Ahead**" announcing the turn ahead.

Once you turn onto **Woodberry Road**, continue for about 3/4th of a mile until you see the Church high on a hill to the left. Turn onto **Rock Church Road** and drive up the hill to the Church.
